

# Line Marking Paint

## Fast-drying permanent line marketing paint

- CFC free aerosol can for quick application of highly visible lines and marks.
- Suitable for a number of surfaces such as concrete, tarmac and composites. Just shake the can, squeeze the nozzle to mark the ground, walls, posts, glass, metal, and more.
- Can be used internally or externally.
- Extremely flammable aerosol. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking
- Pressurised container: May burst if heated. Protect from sunlight. Do not expose to temperatures exceeding 50 °C/122 °F.
- Store container at cool and aired place.
- Toxic to aquatic life with long-lasting effects. Dispose of contents/container to a hazardous or special waste collection point. Do not allow uncontrolled leakage of product into the environment.
- Available in a wide variety of colours; black, blue, red, green, yellow, white, grey, and orange.
