

MK3 Rubber Floor Tiles

100% Recycled Rubber and Plastic Drainage Mats

- Anti-fatigue, non-slip, drainage and protection mat.
- Easy DIY installation with interlocking system that conceals joins.
- Used in wet and dry areas including cold rooms, outdoor pool areas, bars and restaurants, changing rooms and DIY bakkie mats.
- Great as a shower drainage mat.
- Samples are available on request for pre-qualified leads and resellers only.
